Dear All,

The parents of Nibras International School are pleased to announce that they are holding the first annual **SPRING FAIR** in the aid of raising funds for the school library and other resources.

The event will take place inside the school premises on **Saturday April 3rd 2010**, and we are expecting all the residents of the Green Community, Dubai Investments Park, and outside the community to be there. The event will also be marketed throughout to reach residents in Arabian Ranches, JLT, The Gardens, Dubai Marina, JBR, and all across Dubai. So all are welcome to join the fun!

We have prepared exciting list of activities and games as well as a Market place where you would be able to sell your Crafts and products.
Depending on the size of the tables, stalls will cost **100 AED** (75x150 cm) or **150 AED** (90x190 cm).
