

# UNIFORM POLICY

The standard school-produced uniform is compulsory for all students from KG1 to Grade 12. Pre-KG students are not required to wear a uniform. This includes a student PE Kit. In addition, students must maintain a modest, neat and clean appearance at all times. School-uniform look-alikes bought from other sources are not accepted at the school. Students must always look neat and tidy. Parents may purchase all uniforms from the school book & Uniform Store.
