NIBRAS INTERNATIONAL SCHOOL UNIFORM GUIDELINES

Sustainability of Polycotton Blend

The school uniforms are made from a high-quality polycotton blend, consisting of recycled polyester and ethically sourced cotton. This fabric offers durability, comfort, and a reduced environmental footprint, aligning with our commitment to sustainability.

Sustainability Benefits

Recycled Polyester

Made from post-consumer plastics such as recycled PET bottles, this reduces reliance on virgin fossil fuels and diverts plastic from landfills and oceans.

Ethically Sourced Cotton

Our cotton is sourced under strict ethical standards, ensuring fair labour practices and environmentally responsible farming.

Long-Lasting and Low-Maintenance

Polycotton is resistant to shrinkage, wrinkles, and wear. Its extended lifespan means fewer replacements, and its quick-drying nature reduces energy use during laundering.

- All factories meet ETI (Ethical Trading Initiative) base code as foundation members with regular auditing & reviews through our own staff in country following the SMETA methodology and SEDEX data monitoring.
- Any non-compliance or observations highlighted from the audit in the CAPR (Corrective Action Plan Report)
- Own employees in locations of factories as well as head office staff working closely with offshore teams
- Long term relationships with factories many five years +

Our Commitment, Pledge and Achievements

Human Rights & Modern Slavery

As a responsible and ethical business, Trutex works towards eradicating modern slavery within our business treatment of all our workers and supply chains, ensuring fair and open.

Our Supply Chain

We are committed to responsible purchasing practices and uphold our values through our Ethical Initiative.

Our Customers

We put our customers at the heart of our core values and look at ways we can improve our service and always deliver excellence and value.

Our Products

From design & manufacture to packaging & delivery, our Made to Last quality promise has sustainability at heart.

Our People & Planet

Often cited by our customers as one of the best things about working with Trutex, our staff are key to our success. We look after our employees, so they look after the business.

Caring for our local environment as well as the planet is something we strive for, from being carbon neutral to providing quality recycling pre-worn uniform.

Community

Supporting the communities we serve and operate in is important to us. From colleagues to customers, we listen to values and act to support the areas important to them.
